

January 1945

TO: Chief, SCI

FROM: Lt. Michaelis

SUBJECT: Resume of Known Activities of BESEKOW - LITT Organization in France
(Addendum to Memorandum dated 26 January 1945.)

In my previous report on the above subject, OSTRICH's mission in France and his mission on returning to Germany were summarized, but could perhaps be better tabulated as follows:

MISSION FROM AMT VI/S IN FRANCE

- a) To locate and sabotage gasoline pipe lines.
- b) To contact a certain MARTIN, joint head of the JEANNE organization in France, and obtain his assistance in locating the pipe line.
- c) To maintain contact with the JEANNE organization with a view to its exploitation by Amt VI/S.
- d) To reconnoitre a estate outside Paris, LA ROUILLEE, belonging to Pierre MORAND, with a view to establishing whether it was suitable for parachute operations and as a Fieseler Storch landing ground.

MISSION FROM ALLIES IN GERMANY

- a) To inform Amt VI/S that he has reconnoitred the estate LA ROUILLEE and has found it suitable for parachute operations and Fieseler Storch landings. It is hoped that as Amt VI/S has great confidence in OSTRICH, they will parachute agents to LA ROUILLEE, will parachute equipment to LA ROUILLEE, and will send agents there to contact OSTRICH, who will be put in charge of all German sabotage operations in France.
- b) To obtain from Amt VI/S lists of targets in whose sabotage they are interested, in order of priority, together with technical details as to how and where such targets are to be sabotaged; and details of new German sabotage equipment.
- c) To obtain details of Amt VI/S organization, personalities, and sabotage training schools.
- d) To obtain the names and addresses of the SD N.I. Netz radio operators in Paris.
